Now Hiring: Logistics & Operations Coordinator

Location: Houston, TX | **Full-Time** | **\$75K-\$90K/year**

6 Days/Week | 8 Hours/Day | 8 Weeks On / 2 Weeks Off | 24-Month Project | Start Date: June 10, 2025

A national fuel distribution project is underway — a transformative, coast-to-coast initiative modernizing fuel logistics across the U.S. We're looking for a sharp, driven Logistics & Operations Coordinator to help power this mission.

What You'll Do

- Coordinate multi-region fuel deliveries & routing
- Optimize inventory levels using SAP Logistics
- Ensure compliance with federal & environmental standards
- Collaborate across transport teams, warehouses & external partners
- Report KPIs & performance metrics to leadership

What You Bring

- 3-7 years in logistics, 2-8 years in inventory management
- Experience with SAP & route optimization tools
- Strong leadership, decision-making & communication Skills
- US Citizen or Green Card Holder
- CSCP Certification (preferred)

Bonus if you've worked in the fuel, oil & gas, or environmental logistics sector!
